## **Amendments to the Specification:**

Please delete the following sentence beginning on page 1, line 2:

## **DESCRIPTION**

Please insert the following heading beginning on page 1, line 4:

## Background of the Invention

Please delete the following paragraph beginning on page 2, line 12 and insert the following heading:

Such a problem is resolved by a motor function test system as covered by the attached claims.

## Summary of the Invention

Please Amend the following paragraph beginning on page 2, line 14:

first <del>subject</del> object of invention Α the present therefore that of providing a motor function test system which exploits the measurement of biomedical parameters and/or functions correlated with the movement of the subject and/or with their posture control during the Tinetti test.

Please Amend the following paragraph beginning on page 2, line 20:

A second <u>subject</u> <u>object</u> of the present invention is that of providing a method for the acquisition and collection of signals

and their processing into the corresponding parameters for a motor function test, as provided by said motor function test system.
